A fast-paced suspense thriller set in Maryland, USA, where a young woman comes to United States from India to complete the legal formalities of her sister's accidental death. However as she tries to wrap things up, to her horror she discovers that perhaps her sister's death was not accidental. Caught in a web of conspiracy in a foreign land she struggles to get behind the truth, determined to unravel the mystery behind her sister's untimely death.

Piyalir Password is the first Bengali Film shot entirely in USA, it is about corporate conspiracy and medical ethics set in the Biotechnology of USA. It is story of conspiracy, search of truth, love, trust, and betrayal. It has an international cast with actors from the USA, Russia, South Africa, and other nations. This film is rated G (for universal audience or general audience) and has English sub-titles
